PROFESSIONAL SUMMARY

Results driven IT professional and Computer Science student with a strong trajectory from frontend web development to Python/Flask full-stack engineering. Experienced in building scalable applications with modular architectures, integrating databases, and implementing authentication and payment systems. Passionate about continuous learning and delivering robust software solutions, with the motivation to master and implement new technologies as needed.

TECHNICAL SKILLS

Backend & Frameworks: Python, Flask, SQLite, Database Architecture
Frontend Web Development: HTML, CSS, JavaScript, UI Design
Tools & Integrations: Git/GitHub, bKash Integration, RESTful API Concepts, Primary AI-feature Integration
App Development: Flutter

KEY PROJECTS (GitHub: github.com/hr134)

• **FinedineApp, Glamour E-comerce** | *Python, Flask, SQLite*
Flagship full-stack restaurant ordering and reservation application. Features user authentication, a shopping cart, table reservations, and an admin panel for menu CRUD operations. Built with a clean architecture (models, routes, services) and includes bKash and primary AI-feature integrations.

• **Study App** | *Python*
Recent backend Python application focused on modern programming techniques and data handling.

• **Habit App** | *Flutter*
Recent application focused on Flutter app development

• **Shoppers & UI Exercises** | *HTML, SCSS, JavaScript*
A comprehensive suite of over 18 frontend repositories demonstrating a strong progression in web fundamentals, including responsive e-commerce interfaces and interactive JavaScript elements.

PROFESSIONAL EXPERIENCE

Junior Web Developer | *Nordhex*

- Developed and maintained full-stack web applications, integrating responsive designs and backend functionality.

Web Executive | *DCodes*

- Managed web content and digital assets, ensuring optimal performance and user experience.

Office Executive | *Ultimos IT Solution*

- Handled administrative IT tasks, CRM management, and daily office operations.

EDUCATION

B.Sc. in Computer Science & Engineering | IUBAT [Currently Studying] ID: 21303175
H.S.C (Science) | Rajendrapur Cantonment Public School & College | 2019 | CGPA: 5.00/5.00
S.S.C (Science) | Rajendrapur Cantonment Public School & College | 2017 | CGPA: 4.78/5.00
